# **The World of Ichendorf**

**Story**

<sup>ENG</sup> Ichendorf company history began back in the early years of the twentieth century in a small town near Cologne, named Quadrath-Ichendorf.

There, many master-glaziers used a mix of substances, among which was silica, to give shape to objects able to meet the refined taste of that period. A stylistic code defined by precious ornaments, which had the undiscussed leading role of the collections proposed up until the fifties of the past century, when a very important change is established: to favor clean shape and purity of material. Old form and adornment were abolished, in an endless search for new, popular and no longer exclusive appearances. That leads us to the creation of modern designed objects. In 1990 Ichendorf style center is established in Milan, creative point of convergence of artists and designers.

<sup>IT</sup> La storia aziendale Ichendorf ha inizio nei primi anni del Novecento, in una località vicino Colonia, dal nome Quadrath-Ichendorf.

Qui, i maestri vetrai, da una miscela di sostanze tra cui la silice, davano forma ad oggetti capaci di andare incontro al raffinato gusto dell'epoca. Una cifra stilistica delineata da preziosi ornamenti, indiscussi protagonisti delle collezioni proposte sino agli anni Cinquanta del secolo scorso, quando si compie una decisiva trasformazione: prediligere l'essenzialità della forma e la purezza del materiale. Si eliminano i vecchi tagli e gli antichi decori, nella ricerca di un rinnovato linguaggio di forme accessibili a tutti e non più di carattere esclusivo. Si arriva così alla creazione di oggetti dal design contemporaneo. Dal 1990 il centro stile Ichendorf si stabilisce a Milano, polo creativo di artisti e designer.

<sup>ENG</sup> The strength of the brand is also linked to the longevity of its collections, some of which has been on the market for over 50 years. Every single object is a new story, a new adventure through which designers and artists come in contact with the very heart of the material, to get its unlimited possibilities. Every creation combines different signs in a single poetic shape, able to enclose a continuous search for details, always respecting history and expertise. It's a challenge that takes its start from curiosity towards the material and its manufacturing to create a synergy between modern decoration and a very traditional material. It's a very long meticulous collaboration work, which guarantees the longevity of Ichendorf objects in time.

<sup>IT</sup> La forza del marchio si lega anche alla longevità delle sue collezioni, alcune delle quali in vendita da oltre cinquant'anni. Ogni oggetto è una nuova storia, un'avventura in cui designer ed artisti entrano nell'anima del materiale, per cogliere e declinarne tutte le infinite possibilità. Ogni creazione combina segni differenti in un'univoca poetica della forma, capace di racchiudere la continua ricerca di dettagli con il rispetto della storia e del mestiere. È una sfida che parte dalla curiosità per la materia e per le sue lavorazioni per fondere il decoro contemporaneo ad un materiale di indiscussa tradizione. È un lungo, appassionato, meticoloso lavoro di scambio e collaborazione, che garantisce ad ogni oggetto Ichendorf di vivere nel tempo.
